_____ VPK Days x _____ VPK Hours per Day = _____ Total Hours		

I have reviewed the above **2017-2018** VPK calendar for accuracy and have confirmed that the above days equal either 540 (for the fall program) or 300 VPK hours (for the summer program). **I understand that all VPK calendar changes must be accompanied with a new VPK 11B.** I equally understand that I must submit calendar changes no less than **30** days in advance, and that not all calendar changes can be accommodated. Furthermore, I understand that I am allowed only two calendar changes per VPK season.
