#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Early Learning Coalition of Southwest Florida, Inc. Fort Myers, Florida

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Early Learning Coalition of Southwest Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Early Learning Coalition of Southwest Florida, Inc. as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, State of Florida Chapter 10.650, *Rules of the Auditor General,* and special audit guidance provided by the Office of Early Learning, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 30, 2019 on our consideration of Early Learning Coalition of Southwest Florida, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Early Learning Coalition of Southwest Florida, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Early Learning Coalition of Southwest Florida, Inc.'s internal control over financial reporting and compliance.

## NOTES TO FINANCIAL STATEMENTS

### June 30, 2018

### **NOTE A - ORGANIZATION**

Early Learning Coalition of Southwest Florida, Inc. (the "Coalition") was formed exclusively to fulfill the intent of Florida State Statute 411.01 "The School Readiness Act". The Coalition recognizes the role of parents as their children's first teachers and the importance of children entering the education system ready to learn. The Coalition seeks to assist parents by providing opportunities for the birth-to-kindergarten population to enhance their chances for education success by participating in quality school readiness ("SR") and voluntary pre-kindergarten ("VPK") programs that can better prepare them for school. The Coalition performs services in Lee, Collier, Hendry, and Glades Counties, Florida.

### NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 1. Functional allocation of expenses

The cost of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited as shown in the statement of functional expenses.

<u>Administration</u>: This designation includes the functions necessary to maintain the Coalition's programs and activities; to provide coordination and articulation of the Coalition's program strategy through the office of the executive director; to secure the proper administrative functioning of the board of directors; and to manage the financial and budgetary responsibilities of the Coalition.

<u>Programs</u>: The following programs are included in the accompanying financial statements: School Readiness ("SR") - programs to empower parents as a child's first teacher and help them prepare their children to be ready for school. Voluntary Pre-Kindergarten ("VPK") program available for every four-year old in Florida for 540 hours of care in either a traditional school year or 300 hours for a summer program.

#### 2. <u>Use of estimates</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS

## June 30, 2018

# NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### 3. Basis of accounting and financial statement presentation

The accompanying financial statements and schedule have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and include all funds and activities over which the board of directors of the Coalition has oversight and financial responsibility.

The Coalition reports information regarding its financial position and activities according to three classes of net assets. A description of the three net asset categories follows:

<u>Unrestricted</u> – net assets not subject to donor-imposed stipulations.

<u>Temporarily Restricted</u> – net assets subject to donor-imposed stipulations that may or will be met by actions of the Coalition and/or passage of time.

<u>Permanently Restricted</u> – net assets subject to donor-imposed stipulations that they be maintained permanently by the Coalition.

### 4. <u>Revenue recognition</u>

Revenues from financial assistance programs are reported as increases in unrestricted net assets because the related restrictions are satisfied in the period in which the support is recognized.

The Coalition receives funding through grants and contract revenue from Federal, State, County and City agencies, and from United Way. Revenues are earned as allowable grant costs are incurred.

Deferred revenue represents grant revenues collected but not yet earned as of June 30, 2018. Revenues from grant proceeds are not recognized until expended.

### 5. Cash and cash equivalents

For purposes of the statements of cash flows, the Coalition considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

### 6. <u>Contracts and grants receivable</u>

Contracts and grants receivable, which consists principally of grants due from federal and state governmental agencies, are recorded when services are provided. The Coalition's receivables as of June 30, 2018 are due in less than one year and management believes all receivables are fully collectible.

## NOTES TO FINANCIAL STATEMENTS

## June 30, 2018

## NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### 7. Concentration of credit risk

Financial instruments, which potentially expose the Coalition to concentrations of credit risk, consist principally of cash bank deposits. The Coalition's policy is to place its cash investments in accounts with high quality financial institutions which are insured by Federal Deposit Insurance Corporation, which provides coverage on balances up to \$250,000 per depositor per institution.

The Coalition's bank deposit account balances which, at times, may exceed federally insured limits. The Coalition has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

#### 8. Property and equipment

The Coalition's policy is to capitalize property and equipment with a cost in excess of \$5,000. Depreciation is provided on a straight-line basis over the estimated useful life of ten years.

Property acquired with governmental funds is considered to be owned by the Coalition while used in the program for which it was purchased or in future authorized programs; however, its disposition as well as the ownership of any proceeds from the sale of assets there from is subject to applicable regulations.

#### 9. Income taxes

The Coalition is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code; therefore no income tax provision is required in the accompanying financial statements. The Coalition is not classified as a private foundation. Contributions to the Coalition are qualified as deductions for charitable contributions.

Management has analyzed the Coalition's various federal and state filing positions and believes that its income tax filing positions and deductions are well documented and supported and that no accruals for tax liabilities are necessary. Therefore, no reserves for uncertain income tax positions have been recorded. The Coalition remains subject to examination by the U.S. Internal Revenue Service for the years ended June 30, 2016 through June 30, 2018.

#### 10. Donated services, materials and facilities

Donated services, materials and facilities that are measurable are recorded as support at their fair market values at the date of receipt by the Coalition. A corresponding amount is recorded as expense or property and equipment. Donated services, materials or facilities for the year ended June 30, 2018 totaled \$38,522.

## NOTES TO FINANCIAL STATEMENTS

## June 30, 2018

## NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### 11. Recent accounting pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, Leases, that requires lessees to put most leases on their balance sheets and recognize expenses on their income statements in a manner similar to today's capital lease accounting. For lessors, the guidance modifies the classification criteria for accounting for sales-type and direct financing leases. The new guidance is effective for fiscal years beginning after December 15, 2019. Early adoption is permitted. The Coalition is evaluating the potential effects ASU 2016-02 will have on its financial statements.

In August 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities, which is designed to help not-for-profits tell their stories through their financial statements. Not-forprofit financial statements have been prepared under the FASB's current guidance since 1993. The new standard changes presentation and disclosure requirements with the intention of helping not-for-profits provide more relevant information about their resources-and the changes in those resources-to donors, grantors, creditors, and other financial statement users. Specifically, ASU 2016-14 decreases the number of net asset classes from three to two, requires disclosure of qualitative information on liquid resources and liquidity risks for meeting cash needs for general expenses within one year, requires reporting and analysis of expenses by function and nature, and enhances reporting and disclosures about underwater endowments. The new net asset classes will be net assets with donor restrictions and net assets without donor restrictions. The standard will take effect for annual financial statements issued for fiscal years beginning after December 15, 2017, and early application of the standard is permitted. The Coalition is currently assessing the impact the new standard will have on its financial statements.

The FASB recently issued new accounting pronouncement on revenue recognition, which is effective beginning in 2018. Early adoption is permitted. The Coalition is evaluating the impact of the new pronouncement on its financial statements.

12. Subsequent events

Management has evaluated the effect subsequent events would have on the financial statements through the date these financial statements were available to be issued on January 30, 2019.

## NOTE C - RELATED PARTY TRANSACTIONS

Certain voting members of the Board of Directors are required by the "School Readiness Act" to be board members. These members include Redland Christian Migrant Association, Inc. (subrecipient administrators of SR and VPK services to the Coalition), and other representatives from private and public sector industries. Total payments to RCMA during the year ended June 30, 2018 were \$1,831,486 and accounts payable to RCMA at June 30, 2018 was \$102,108.

## NOTES TO FINANCIAL STATEMENTS

## June 30, 2018

## NOTE D - COMMITMENTS AND CONTINGENCIES

### 1. Federal and state appropriated funds

The Coalition receives substantially all of its support from the federal and state governments in the form of grants. A significant reduction in the level of this support, if this were to occur, may have a significant effect on the Coalition's programs and activities.

Government grants require the fulfillment of certain conditions as set forth in applicable laws, rules and regulations and in the grant agreements. Failure to fulfill the conditions could result in the return of the funds to the grantor. Management believes such disallowances, if any, would not be material.

### 2. Operating lease

The Coalition has entered into a non-cancelable operating lease agreement for its administrative office. Future minimum annual rentals under the non-cancelable operating lease are as follows for the fiscal years ending June 30,

2019 2020	\$ 345,085 <u>301,531</u>
	\$ 646,616

Rent expense for the year ended June 30, 2018 was \$349,137.

## NOTE E - PROPERTY AND EQUIPMENT

Property and equipment and accumulated depreciation at June 30, 2018 is summarized as follows:

Furniture and fixtures Less: accumulated depreciation	•	116,617 <u>(72,743)</u>
Property and equipment, net	<u>\$</u>	43,874

## NOTES TO FINANCIAL STATEMENTS

### June 30, 2018

### NOTE F - 401K Plan

The Coalition established a 401K Plan effective January 1, 2008 for all qualifying employees. All employees with one full year of service and at least 21 years of age are eligible to participate in the plan. The Coalition's plan includes a 401(k) match fund for participating employees in an amount equal to 100% of their elective deferrals that does not exceed 6% of the employees' compensation. Contributions to the profit sharing component of the plan are at the discretion of the Coalition and are determined on an annual basis. The Coalition provided for matching contributions of \$95,962 to the plan for the year ended June 30, 2018. There were no discretionary profit sharing contributions. Employees are immediately vested in their contributions and the matching contributions.

### **NOTE G - MATCHING FUNDS**

The U.S. Department of Health and Human Services funding, which passed through Florida's Office of Early Learning, School Readiness Program contract SR-158, provided for subsidized child care services and required local match of six-percent (6%) for certain services for "at risk" children. During the year ended June 30, 2018, the local matching requirement was met. The Coalition included \$696,250 of matching funds collected by the Coalition as both revenue and expense in the statement of activities.

# SUPPLEMENTAL INFORMATION

#### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of Early Learning Coalition of Southwest Florida, Inc. Fort Myers, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Early Learning Coalition of Southwest Florida, Inc. (the "Coalition") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 30, 2019.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Early Learning Coalition of Southwest Florida, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Early Learning Coalition of Southwest Florida, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Early Learning Coalition of Southwest Florida, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND STATE OF FLORIDA CHAPTER 10.650, *RULES OF THE AUDITOR GENERAL*

To the Board of Directors of Early Learning Coalition of Southwest Florida, Inc. Fort Myers, Florida

#### Report on Compliance for Each Major Federal Program and State Project

We have audited Early Learning Coalition of Southwest Florida, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *Department of Financial Services*' State Projects Compliance Supplement, and special audit guidance provided by the Office of Early Learning that could have a direct and material effect on each of Early Learning Coalition of Southwest Florida, Inc.'s major federal programs and state projects for the year ended June 30, 2018. Early Learning Coalition of Southwest Florida, Inc.'s major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations, and the terms and conditions of its federal awards and state financial assistance applicable to its federal programs and state projects.

#### Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Early Learning Coalition of Southwest Florida, Inc.'s major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Office of Early Learning. Those standards and the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the office of Early Learning. Those standards and the Uniform Guidance, and Chapter 10.650, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about Early Learning Coalition of Southwest Florida, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of Early Learning Coalition of Southwest Florida, Inc.'s compliance.

#### **Opinion on Each Major Federal Program and State Project**

In our opinion, Early Learning Coalition of Southwest Florida, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2018.

#### **Report on Internal Control Over Compliance**

Management of Early Learning Coalition of Southwest Florida, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Early Learning Coalition of Southwest Florida, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and report on internal control over compliance, and Chapter 10.650, *Rules of the Auditor*

American Institute of Certified Public Accountants

Florida Institute of Certified Public Accountants *General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Early Learning Coalition of Southwest Florida, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance, and Chapter 10.650 *Rules of the Auditor General.* Accordingly, this report is not suitable for any other purpose.

#### **Basis of Presentation**

The accompanying schedule of expenditures of federal awards and state financial assistance is presented on the modified accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), State of Florida Chapter 10.650, *Rules of the Auditor General*, and the Department of Financial Services' *State Projects Compliance Supplement*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

#### Indirect Cost Rates

The Coalition has elected to not use the 10% de minimis indirect cost rate for its federal programs and state projects for the year ended June 30, 2018. The indirect costs rates used on the Coalition's federal programs and state projects are determined by the relevant federal or state agency.
