Looking for activities and experiences to keep her inspired and engaged?

You do not have to be a Girl Scout to participate! Through Girl Scouts from Home, we are proud to offer free access to a wide variety of Girl Scout activities, including two full badge activity guides per grade level group that allow girls to earn official Girl Scout badges. Additionally, we've partnered with our Girl Scout community far and wide to offer you special videos leading girls through this new experience.

Learn how Girl Scouts can support your family and make learning, doing, and growing more fun. We're here for you!
