The Ultimate Package to Help Your Child Care Business Thrive

We are excited to announce that the Early Learning Coalition of Southwest Florida is joining forces with Procare Solutions to provide time-saving child care management software to all providers who are interested in leveraging this valuable platform. Procare is the most widely used and recommended child care management system on the market and we are excited to share that the ELC of SWFL will be paying for your software for the next three years!

Please click here to join the list of providers who are taking advantage of this amazing offer and our team will reach out to you with instructions.

Why Procare?

- Get everything you need in an innovative, all-in-one platform

- Nurture classroom and parent interactions through an easy-to-use app and interface

- Optional digital curriculum embedded into Procare

- Automate billing and payment collection

- Simplify staff clock in/out, scheduling and payroll

- Offer contactless solutions like check-in/out and billing/payments to support the safety of your center

- Take advantage of a large expert community to guide you to the right solution for your center

- Enjoy live support to help you at every point in your child care business journey

For over 30 years, Procare Solutions has helped child care businesses big and small tackle their biggest operational challenges.

From contactless check-in, attendance tracking and staff management to family engagement, tuition collection and extensive reporting, we have the solutions that child care professionals want most.

More than 37,000 child care businesses choose Procare because we give them everything they need to focus on what they love—providing amazing experiences to the children in their care.
