3. **Discuss Utilization Management (Forecast)**

- Ms. Block reported the First Responders’ program ends March 31, 2021. A few of the children may qualify as income eligible going forward.
- We are continuing to enroll off the Waitlist. At the end of Feb. there were 1,137 children listed. This number consistently changes as we enroll children and more children are added to the Waitlist.
- VPK enrollment is slightly up. We are encouraging providers to provide a summer VPK program.

Motion approved.

4. **Review Utilization Reports and Statements of Revenues and Expenditures**

- Ms. Blackstock presented the financial reports ending January 2021. Ms. Blackstock reviewed the summary reports for School Readiness (SR), Voluntary Prekindergarten (VPK), and administration costs.
- There was a lengthy discussion about the impact of COVID-19 on parents and providers, number of SR slots and number of children in need. Parents have concerns about their children’s safety. Providers are reluctant to increase the number of children, as it is easier to comply with CDC regulations when caring for a smaller number of children. Currently, some providers are not allowing parents into their centers.

Motion made to approve and move the Utilization Reports and Statements of Revenues and Expenditures to the Executive Committee made by Mr. Halligan and seconded by Ms. Delmotte. Motion approved.

5. **Review FY18-19 Provider Reconciliation**

The Office of Early Learning (OEL) has accepted eighty (80) providers’ payment plans for a total of $736,000.00. Twenty-Two (22) providers are pending negotiations. The amount owed is over $400,000.00. If no response to a repayment plan is received, a twelve (12) month payment plan will start in April.
