INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Early Learning Coalition of Southwest Florida, Inc.
Fort Myers, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of Early Learning Coalition of Southwest Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Early Learning Coalition of Southwest Florida, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and State of Florida Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Office of Early Learning, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2014, on our consideration of Early Learning Coalition of Southwest Florida, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Early Learning Coalition of Southwest Florida, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014

NOTE A - ORGANIZATION

Early Learning Coalition of Southwest Florida, Inc. (the "Coalition") was formed exclusively to fulfill the intent of Florida State Statute 411.01 "The School Readiness Act". The Coalition recognizes the role of parents as their children's first teachers and the importance of children entering the education system ready to learn. The Coalition seeks to assist parents by providing opportunities for the birth-to-kindergarten population to enhance their chances for education success by participating in quality school readiness ("SR") and voluntary pre-kindergarten ("VPK") programs that can better prepare them for school. The Coalition performs services in Lee, Collier, Hendry, and Glades Counties, Florida.

For years prior to fiscal 2013, the Coalition contracted with Community Coordinated Care for Children, Inc. ("4Cs") and Redlands Christian Migrant Association, Inc. ("RCMA") to administer program services required under its contracts with the State of Florida. The Coalition's Board voted to bring subrecipient services in house effective July 1, 2012 and to terminate the subrecipient contracts with 4Cs. The Coalition's revenues are primarily received through federal and state grants through the Florida's Office of Early Learning.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Functional allocation of expenses

The cost of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited as shown in the statement of functional expenses.

Administration: This designation includes the functions necessary to maintain the Coalition's programs and activities; to provide coordination and articulation of the Coalition's program strategy through the office of the executive director; to secure the proper administrative functioning of the board of directors; and to manage the financial and budgetary responsibilities of the Coalition.

Programs: The following programs are included in the accompanying financial statements: School Readiness ("SR") - programs to empower parents as a child's first teacher and help them prepare their children to be ready for school. Voluntary Pre-Kindergarten ("VPK") - program available for every four-year old in Florida for 540 hours of care in either a traditional school year or a summer program.

2. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Early Learning Coalition of Southwest Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3. Basis of accounting and financial statement presentation

The accompanying financial statements and schedule have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and include all funds and activities over which the board of directors of the Coalition has oversight and financial responsibility.

The Coalition reports information regarding its financial position and activities according to three classes of net assets. A description of the three net asset categories follows:

Unrestricted – Net assets not subject to donor-imposed stipulations.

Temporarily Restricted – net assets subject to donor-imposed stipulations that may or will be met by actions of the Coalition and/or passage of time.

Permanently Restricted – net assets subject to donor-imposed stipulations that they be maintained permanently by the Coalition.

4. Revenue recognition

Revenues from financial assistance programs are reported as increases in unrestricted net assets because the related restrictions are satisfied in the period in which the support is recognized.

The Coalition receives funding through grants and contract revenue from Federal, State, County and City agencies, and from United Way. Revenues are earned as allowable grant costs are incurred.

5. Cash and cash equivalents

For purposes of the statements of cash flows, the Coalition considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

6. Contracts and grants receivable

Contracts and grants receivable, which consists principally of grants due from federal and state governmental agencies, are recorded when services are provided. The Coalition's receivables as of June 30, 2014 are due in less than one year and management believes all receivables are fully collectible.

7. Concentration of credit risk

Financial instruments, which potentially expose the Coalition to concentrations of credit risk, consist principally of cash bank deposits. The Coalition's policy is to place its cash investments in accounts with high quality financial institutions which are insured by Federal Deposit Insurance Corporation, which provides coverage on balances up to \$250,000 per depositor per institution.

Early Learning Coalition of Southwest Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Coalition's bank deposit account balances which, at times, may exceed federally insured limits. The Coalition has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

8. Property and equipment

The Coalition's policy is to capitalize property and equipment with a cost in excess of \$5,000. Depreciation is provided on a straight-line basis over the estimated useful lives of five to ten years.

Property acquired with governmental funds is considered to be owned by the Coalition while used in the program for which it was purchased or in future authorized programs; however, its disposition as well as the ownership of any proceeds from the sale of assets there from is subject to applicable regulations.

9. Income taxes

The Coalition is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code; therefore no income tax provision is required in the accompanying financial statements. The Coalition is not classified as a private foundation. Contributions to the Coalition are qualified as deductions for charitable contributions.

Management has analyzed the Coalition's various federal and state filing positions and believes that its income tax filing positions and deductions are well documented and supported and that no accruals for tax liabilities are necessary. Therefore, no reserves for uncertain income tax positions have been recorded. The Coalition remains subject to examination by the US Internal Revenue Service for the years ended June 30, 2012 through June 30, 2014.

10. Donated services, materials and facilities

Donated services, materials and facilities that are measurable are recorded as support at their fair market values at the date of receipt by the Coalition. A corresponding amount is recorded as expense or property and equipment. There were no donated services, materials or facilities for the year ended June 30, 2014.

11. Subsequent events

Management has evaluated the effect subsequent events would have on the financial statements through the date these financial statements were available to be issued on December 17, 2014.

Early Learning Coalition of Southwest Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014

NOTE C - RELATED PARTY TRANSACTIONS

Certain voting members of the Board of Directors are required by the "School Readiness Act" to be board members. These members include Redland Christian Migrant Association, Inc. (subrecipient administrators of VPK services to the Coalition), and other representatives from private and public sector industries. Total payments to RCMA during the year ended June 30, 2014 were \$2,144,217 and accounts payable to RCMA at June 30, 2014 was \$79,196.

NOTE D - COMMITMENTS AND CONTINGENCIES

1. Federal and state appropriated funds

The Coalition receives substantially all of its support from the federal and state governments in the form of grants. A significant reduction in the level of this support, if this were to occur, may have a significant effect on the Coalition's programs and activities.

Government grants require the fulfillment of certain conditions as set forth in applicable laws, rules and regulations and in the grant agreements. Failure to fulfill the conditions could result in the return of the funds to the grantor. Management believes such disallowances, if any, would not be material.

2. Operating lease

The Coalition has entered into a non-cancelable operating lease agreement for its administrative office. Future minimum annual rentals under the non-cancelable operating lease are as follows for the fiscal years ending June 30,

2015	\$ 312,419
2016	321,792
2017	<u>282,480</u>
	<u>\$ 916,691</u>

Rent expense for the year ended June 30, 2014 was \$279,759.

Early Learning Coalition of Southwest Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014

NOTE E - PROPERTY AND EQUIPMENT

Property and equipment and accumulated depreciation at June 30, 2014 is summarized as follows:

Furniture and Fixtures	\$ 257,125
Less: accumulated depreciation	<u>(194,193)</u>
Property and equipment, net	<u>\$ 62,932</u>

NOTE F - 401K Plan

The Coalition established a 401K Plan effective January 1, 2008 for all qualifying employees. All employees with one full year of service and at least 21 years of age are eligible to participate in the plan. The Coalition's plan includes a 401(k) match fund for participating employees in an amount equal to 100% of their elective deferrals that does not exceed 6% of the employees' compensation. Contributions to the profit sharing component of the plan are at the discretion of the Coalition and are determined on an annual basis. The Coalition provided for matching contributions of \$66,315 to the plan for the year ended June 30, 2014. There were no discretionary profit sharing contributions. Employees are immediately vested in their contributions and the matching contributions.

NOTE G - MATCHING FUNDS

The U.S. Department of Health and Human Services funding, which passed through the Florida's Office of Early Learning, School Readiness Program contract SR-154, provided for subsidized child care services and required local match of six-percent (6%) for certain services for "at risk" children. During the year ended June 30, 2014, the local matching requirement was met. The Coalition included \$776,336 of matching funds collected by the Coalition as both revenue and expense in the statement of activities.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Early Learning Coalition of Southwest Florida, Inc. (the "Coalition") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 17, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Early Learning Coalition of Southwest Florida, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Early Learning Coalition of Southwest Florida, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Early Learning Coalition of Southwest Florida, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133 AND STATE OF FLORIDA CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

To the Board of Directors of
Early Learning Coalition of Southwest Florida, Inc.
Fort Myers, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited Early Learning Coalition of Southwest Florida, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement*, and the requirements described in the *Department of Financial Services' State Projects Compliance Supplement*, and special audit guidance provided by the Office of Early Learning that could have a direct and material effect on each of Early Learning Coalition of Southwest Florida, Inc.'s major federal programs and state projects for the year ended June 30, 2014. Early Learning Coalition of Southwest Florida, Inc.'s major federal programs and state projects are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs and state projects.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Early Learning Coalition of Southwest Florida, Inc.'s major federal programs and state projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and Chapter 10.650, *Rules of the Auditor General*, and special audit guidance provided by the Office of Early Learning. Those standards and OMB Circular A-133, and Chapter 10.650, *Rules of the Auditor General*, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program or state project occurred. An audit includes examining, on a test basis, evidence about Early Learning Coalition of Southwest Florida, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program and state project. However, our audit does not provide a legal determination of Early Learning Coalition of Southwest Florida, Inc.'s compliance.

Opinion on Each Major Federal Program and State Project

In our opinion, Early Learning Coalition of Southwest Florida, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2014.

Report on Internal Control Over Compliance

Management of Early Learning Coalition of Southwest Florida, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Early Learning Coalition of Southwest Florida, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program and state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and state project and to test and report on internal control over compliance in accordance with OMB Circular A-133, and Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Early Learning Coalition of Southwest Florida, Inc.'s internal control over compliance.
